**1. Basis of presentation**

The purpose of Geoscience BC Society ("Geoscience BC" or "the Society") is to undertake and support the independent collection and public dissemination of earth science research in British Columbia.

These interim financial statements have been internally-prepared by Geoscience BC and have not been audited or reviewed by an independent public accountant. These statements are designed for the internal use of Geoscience BC members only and are not necessarily presented in a manner consistent with Canadian accounting standards for not-for-profit organizations. Accordingly, these statements should be read in conjunction with the Society's most recent annual financial statements as at and for the year ended March 31, 2023, available on Geoscience BC's website.

**2. Investments**

	June 30, 2023	March 31, 2023

Geoscience BC considers its investments to be 'available for sale' securities and hence they are carried at current market values.
