Survey Location Map

Legend

- Geoscience BC and Northern Development Initiative Trust - Arctome Geophysical Survey Area
- Railroad (undclassified)
- Road (undclassified)
- Sample location (stream, lake)
- Mineral deposit (selected)
- Populated place (undclassified)

Note: This geochemical interpretation map was produced by blending multiple surveys collected over a period of nearly 30 years, using different sample media (lake and stream sediments) and different laboratory techniques. For more information see Barnett and Williams (2009), referenced below.
